19. DATA DISCREPANCIES ACROSS SOURCES (verify against live site before publishing)

These are the only points where the five source files genuinely disagree rather than just phrasing things differently. Recommend confirming each against the current official website before loading into the chatbot, and storing whichever is correct with a verification date.

1. **NAAC Grade:** “NAAC Grade B++ (Cycle-2)” (Source 1) vs. “NAAC Accredited (B Grade, awarded 2016)” (Sources 3, 4). These may reflect different accreditation cycles — the B++ figure could be a more recent cycle than the 2016 B grade.
2. **Campus size:** 50 acres (Sources 1, 2, 3) vs. “~48-50 acres, site uses both figures” (Source 4).
3. **PG programme count:** “4 PG” (Source 1) vs. “5 PG” (Sources 2, 3, 4) — the 5-PG figure includes the MBA (established 2026), which may not have been counted in the older figure.
4. **Civil Engineering UG intake:** 30 (Courses Offered table, Sources 2, 3, 4) vs. 120 (Civil department’s own “About Department” page text, per Source 4) vs. 30 (Source 5’s programme table).
5. **Mechanical Engineering UG intake:** 60 (most sources) vs. department text stating intake “started at 60, later increased to 120” (Source 4).
6. **Library collection size varies by document date:** 32,000 books/11,000 titles (Source 1, undated); 11,098 titles/32,181 volumes (2023-24 Mandatory Disclosure, Source 2); 12,256 titles/33,890 volumes (as of 31.05.2026, Sources 3 & 4); “12,000+ books” (Source 5, undated). These appear to be genuinely different points in time — store each with its date rather than merging.
7. **Hostel details:** Sources 1-4 describe hostels only generically (“separate boys’ and girls’ hostels,” 4 blocks). Source 5 uniquely names them “Duraismy Gents Hostel” (~400 capacity) and “Rajammal Ladies Hostel” (~300 capacity) and a “Rajammal Duraismy College Mess” — worth confirming these proper names against the live site, as no other source corroborates them.
8. **Placement Officer:** Source 5 names “Mr. I. John Dinakaran” as Placement Officer; no other source names a placement officer (they only name Dr. S. Sivakumar as T&P Head). Confirm whether this is a distinct, additional role.
9. **Civil “Budding Engineers Club” leadership:** Source 1 lists “Mrs. R. Revathi (HOD/Civil)” as Chief Executive, while Sources 2/3/4 identify Dr. R. Saravanan as Civil HOD throughout. Likely Mrs. R. Revathi held the HOD post at an earlier date, or this is an error in Source 1 — confirm current HOD is Dr. R. Saravanan.
10. **EEE faculty roster:** Minor variation in the exact 13th-14th listed members (Mrs. I. Priyadharshini and Mr. G. Rathinasamy appear in Sources 2 & 4 but not in Source 1’s 13-person list). Master list above uses the more detailed 14-person version.
11. **AI & DS / IT faculty rosters:** Source 1’s faculty lists for these two departments are shorter/older (5-6 names) than the fuller rosters in Sources 2 & 4 (9-10 names, including Ms. M. Vidhya, Ms. T. Sindhu, Mr. D. Rajkumar, etc.). The fuller lists appear to be the more current/complete version and are used above.
